**PROCESS FOR RECONSIDERATION:** Within ten days of a Council Board decision, any Stakeholder may request, in writing, a reconsideration of a Board decision. In order to be considered, the request must state the Stakeholder's name, address and contact phone number, and the title and date of the Board's resolution or motion. It must also specify the exact reason(s) for their objection to the decision and include any documentation available to support the Stakeholders' position for the objection. The Stakeholder must also sign a declaration stating that all information provided, including any accompanying statements or documents are true, correct, and complete, to the best of his knowledge and belief. If such a reconsideration does not interfere with the timely forwarding of that decision to any legislative or governmental body or agency, the Council shall agendas the item for possible reconsideration at their next meeting. If a Director wishes to change his or her vote, the Board will reconsider the issue.
