

Granada Hills North Neighborhood Council Where to Purchase Emergency Preparedness Supplies

As you can tell from the list below, EP supplies can be bought just about anywhere. There are some items, such as brush jackets or Kevlar helmets, that you may want to purchase at specialty stores. Most other items for your kits you can get inexpensively at places where you normally shop or visit. Remember, you need not purchase everything you think you'll need all at once. If your favorite store is not listed, let us know (info@SoCalPrep.us) and we'll consider including it in the next revision.
