In order to be considered the request must state the Stakeholder's name, address, and contact phone number, and the title and date of the Board's resolution or motion. It must also specify the exact reason(s) for their objection to the decision and include any documentation available to support the Stakeholder's position for the objection. The Stakeholder must also sign a declaration stating that all information provided, including any accompanying statements or documents are true, correct, and complete to the best of his/her knowledge and belief.
