Dear Brian Allen President, Granada Hills North Neighborhood Council

On behalf of the SOLID Board of Directors, I want to personally thank you for your past support of our Devonshire Division police officers. Without your generous contributions, our projects would not have come to fruition.

This is to inform you in advance of a major project we are planning in 2025. Because of its magnitude, we are hoping for financial help from all nine of the Neighborhood Councils in the Devonshire Division service area.

The project is to renovate and expand the current thirty-year-old Gang/Narcotics unit trailer which includes raising the floor in the western extension by 20 feet, finishing this extended area into an office for the Lieutenant, replacing all interior doors, adding new central heating and cooling systems throughout, replacing worn out flooring, demolishing one interior demising wall, replacing existing lighting fixtures with new energy efficient LED fixtures, replacing electrical systems, replacing windows, painting, installing two new exterior metal fabricated ramps and stairs, and replacing outdated and inefficient furniture, fixtures and lockers.

The total cost is estimated to be \$123,000 of which \$61,000 has already been raised by S.O.L.I.D. Any grants from neighborhood councils would only be used toward the cost of the furniture, fixtures, and lockers, estimated to be \$51,000. Hopefully, we can count on your support again,

Sincerely,

Dianne Kartiala

SECTION II - PROJECT DESCRIPTION

4) Please describe the purpose and intent of the grant.

The trailer that the Gang and Narcotics units utilize was donated several decades ago and has become dilapidated and run down. The office furniture is extremely worn and does not fit properly to be able to accommodate the officers and supervisors assigned to the units. Due to increased personnel in these units, each officer does not have a functional desk, making it difficult to efficiently do their job in a timely manner. This affects their morale and well-being. Providing a renovated space and new furniture would allow them to work together in a supportive environment that lets them focus on their tasks in the community.

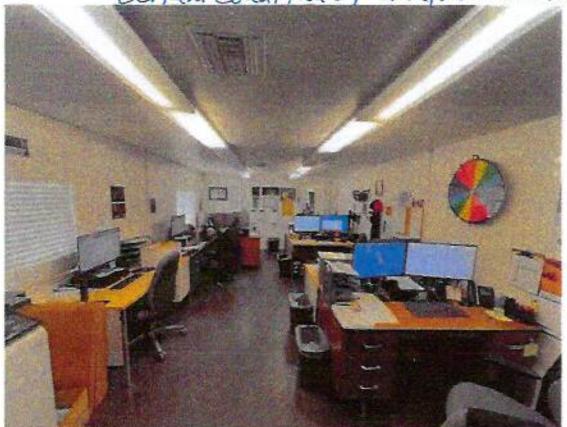

How will this grant be used to primarily support or serve a public purpose and benefit the public at-large.
 (Grants cannot be used as rewards or prizes for individuals)

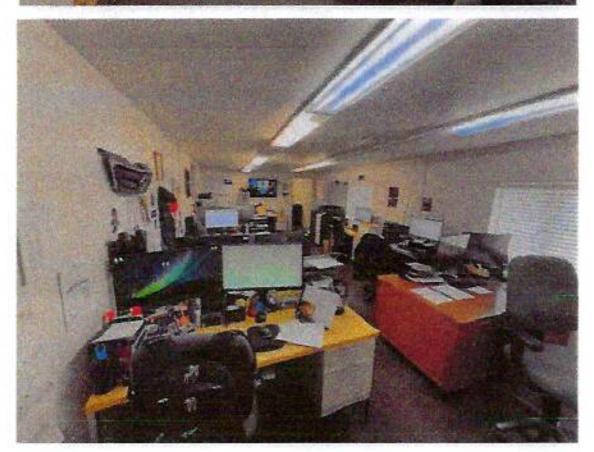

Police needs are changing due to new technologies, community expectations, and evolving social issues. The Gang and Narcotics Units receive numerous calls, emails, and complaints regarding graffiti, gang violence, blatant drug use and sales. These units having an updated and efficient work space, would allow these officers more time to focus on these crimes and issues. The demands of law enforcement can take a toll on officers, so wellness initiatives are important.
